## A City Not Forsaken

Isaiah 62 and 12

**And they should call them The Holy People. The Redeemed of the Lord: And you shall be called Sought Out. A City Not Forsaken.**

In this past year of hosting events The Newtown Nation president Ms. Buchand and The Newtown Farmers Market manager Ms. Williams have plans to make it possible to do more each year and in doing so have come to the realization that there's so much more that needs to be done, which brings us to our main event going into the new year.

So as we all know the old saying goes. "A family that prays together stays together" (when a body of communities donate together they all elevate together). It doesn't matter if one person gives \$1 or \$10,000 please join the fight and be a part of solving the problems that are plaguing in our community. Help us inspire, assist and educate Newtown Sarasota in becoming a personification of success that we know it can be.

Sincerely Serious!

We will not be satisfied until we don't have to feed the homeless or sponsor any families because they will be in position to have the ability to house, feed and care for themselves! Thank you"
